

AN ASI PROGRAM

2023-2024 Season Packet

- *Where the Arts Access Pass can be used*
- *How to reserve tickets*
- *How to request transportation*

HELLO AND WELCOME!

We are thrilled that you are a part of the Arts Access Program, administered by Arts Services Inc. In this packet, you will find all the information you will need to reserve tickets with our partner organizations across Western New York!

Please read everything below as the program has changed since the 22-23 season.

To reserve tickets:

- If you are interested in a theater or concert performance, call the box office and ask if Arts Access reservations are available. You will need to provide your Arts Access member ID number that is shown on your pass.
- If you are interested in a tour or museum visit, call the museum's office to confirm Arts Access reservation availability. Many museums have capacity regulations or timed tours, so calling at least 48 hours ahead is strongly recommended.

When you arrive:

- You may be required to wear a mask, regardless of vaccination status.
- For theaters, present your Arts Access pass to the Will Call desk or admission counter to pick up your tickets.
- For tours and museums, present your Arts Access pass at the admissions or guest services counter.

Important:

- **Reservations are on a first-come, first serve basis.** You might not always get to attend the date/event you originally chose. Arts Access partners are not compensated for their participation, they donate as many tickets as they are capable of within their budget.
- Some performances or art exhibitions may not be suitable for young children. **If age recommendations are not listed with the venue's event, double check with the box office or front desk.**
- Event times and opportunities may change throughout the year if partner organizations limit their capacity, change their hours, or close. **Therefore, nothing on this list is guaranteed at any time**

What is the Arts Access Plus Lottery?

Arts Access will purchase special events tickets on behalf of passholders selected in the monthly drawing. If you are interested in attending a Plus event, please submit an entry form online or call the main office between the 1st and 15th of the month. The lottery drawing takes place the month before an event so the office has enough time to purchase tickets or schedule transportation. For example, if a Plus concert is in May, apply for the lottery in April.

Please Note:

- Limit one entry per passholder per month
- Only lottery winners will be contacted, if a lottery winner does not respond after three attempts, the next selected person will be contacted.
- Arts Access Plus events are for current participating partners.

Restrictions:

The Arts Access season runs from September 1st - August 31st of each year. For ticketed arts and cultural events, the pass can only be used once per event. The pass can be used once per month at galleries and museums. If you reserve tickets and cannot pick them up or use them, **you MUST call and tell the box office. If you fail to do this repeatedly, your pass may be suspended for the year.**

The Arts Access pass is only good until August 31, 2024. **After this date you must reapply.**

Transportation:

Ride reservations can only be made through the Arts Access office, do not call drivers or the transportation company to schedule a new transportation request. To request transportation please call 716-833-3004x514 or go to arts-access.org/transportation. Please note that our transportation service is not "on demand", but scheduled via calendar.

By requesting a ride, you agree to our code-of-conduct.

Arts Access Transportation Code of Conduct

To keep vans clean and safe for all riders, no eating, drinking, or smoking is allowed.

Reminders:

- Transportation is on a first-come, first serve basis. Passholders may reserve up to two trips per month, or based on calendar availability.
- Requests must be made at least 2 weeks in advance of your event date. Pickup and return times cannot be changed 48 hours before your trip.
- Transportation is not confirmed until you have received a call back from the Arts Access Office regarding your request.
- Children under 18 must be accompanied by a parent or guardian. If a child requires a special seat, you are responsible for providing and installing it in the vehicle.
- The passholder who made the transportation request must be present for the trip. While friends and family may ride with you, you cannot reserve rides for them.
- Passholders are responsible for their behavior as well as their guests' behavior. Any abusive language or behavior will result in termination of transportation privileges.
- Always wear a seatbelt.
- No pets except for certified Service Animals.

Please be courteous to anyone who answers the phones or drives the vehicles. It is helpful to have pickup times and locations ready for drivers so as to not rush them. Our transportation partner provides a valuable service to the community and they must be treated with respect. Failure to do so will result in termination of transportation privileges.

Tips For Attending Events:

Live Performances:

Please arrive at least 15 minutes prior to show time to pick up your tickets and you will be ushered to your seats. If you arrive late, many theaters have a "hold" policy where you will not be ushered to your seat until an appropriate point in the show. Live performances require that audience members turn off cell phones and electronic devices – no texting or taking photographs during the show! In many instances, there will be an intermission where snacks and beverages will be available. Many performances request that you do not eat or drink during the performance at any time. Stay for the entire performance and show your support for the performers during bows with your applause. Please follow each organization's Covid-19 Policy, as these protect the health of staff and guests.

Museum/Galleries:

Arrive at the venue for admission. In many instances you will be able to experience the exhibit on your own and peruse works of art at your leisure. Guided tours may be available to enhance your visit and understanding of the exhibit. In most cases you cannot touch the artwork or frames so make sure to stand away from the piece. Children should be monitored at all times and everyone is asked to be respectful of others by not running or yelling.

Questions?

If you have any questions or concerns please contact the office!

PEACH MAG

peachmgzn.com
peachmgzn@gmail.com

Peach Mag (est. 2016) is an independent literary publishing project. Its flagship publication is an online journal, where a new creative writing or visual art feature is published every Tuesday and Friday. The editors also produce print anthologies, live and virtual events, and an editorial apprenticeship for teens. Arts Access passholders are encouraged to join Peach Mag for its virtual "Crossover Episodes" reading series. Its Buffalo-based, in-person reading series "Episodes" is currently on hiatus. Learn more at peachmgzn.com.
