

AN ASI PROGRAM

2024-25 Information Packet

ASI's Arts Access program aims to break the barriers of inaccessibility to the arts which are often money, transportation, and knowledge of events. We partner with local theaters, galleries, and other arts and culture organizations to offer free or reduced-cost opportunities to Western New Yorkers. Eligibility is open to anyone receiving income-based public assistance in WNY. Passes are honored at our 50+ partner locations. Additionally, ASI offers free safe transportation to and from events upon request.

How to use your pass

1

Check Availability

To check if Arts Access reservations are available, please call the main office or box office of your selected venue. For general admission, call at least 48 hours in advance due to capacity limits or scheduled tours. For ticketed events, call as soon as you know about the event to confirm availability.

2

Provide Your Member ID:

When calling or visiting, provide your Arts Access member ID number shown on your pass.

3

Understand Reservation Policies:

Reservations are on a first-come, first-served basis. You may not always get your preferred date or event. Arts Access partners donate tickets based on their budget, typically with limited quantity.

4

Reserve Transportation (optional):

ASI provides free, safe, and accessible transportation through our partners at Hart Transportation to and from partner events. Ride reservations must be made through the Arts Access office at least 2 weeks before your event date. See details on the following page to make a reservation.

5

Stay Informed:

Always check with the partner organization for the most up-to-date information. Especially as it relates weather policy, cancellations, and postponement.

Arts Access Plus Lottery

The Arts Access program relies on the generosity of our partner organizations to donate tickets to Arts Access with very limited compensation; they are the real champions of this incredible program!

Because tickets are donated, some partner programming may not be available to Arts Access passholders. This includes; special exhibits, behind-the-scenes tours, or special guest performances.

How does it work? The Arts Access Plus Lottery provides a monthly chance to win tickets to exclusive events. Each month, ASI selects special ticketed events for the lottery. Passholders can enter the lottery for a chance to win two free tickets! ASI then purchases the tickets on the winning passholder's behalf.

Transportation

Arts Access is proud to provide free, safe, and accessible transportation through our partners at Hart Transportation to and from partner events.

To book a ride, please contact the Arts Access office directly. Kindly refrain from calling drivers or the transportation company for new requests.
